License Settings

Administrator can view license information and manage license keys.

To view your NetVizura license, go to blocked URL **> Settings > Miscellaneous > License**.

It shows useful information such as:

- Application version
- License type
- Expiration and support end date
- Installation code

Licence details are needed for generating commercial license key. You can send them by clicking the **Se nd** button (opens email client).

License is upgraded with a new license key by clicking the **Upload**.

To learn about how to update or upgrade your license, read more at **License**.
